AFTER-HOURS PASS | Strauss Health Sciences Library

How-To for Other CU Students at Denver, Boulder & Law, Springs

Verified University of Colorado students/employees from CU Denver, Boulder, and Colorado Springs campuses are eligible for an After-Hours Pass with the Strauss Library that allows staying past the library’s public closing time—it does not allow 24/7 entry. Once you exit, you may not come back in until the library reopens.

If you are a student with another CU campus, your first step is contact your home library to initiate the request for your pass. They will collect some information such as your student ID number, contact information, month & date of birth, etc.

Steps to Claim Your Pass

1. Contact your home library (please include your phone number, month & date of birth, and the last four digits of your social security number) to verify your status as an actively-enrolled student in good standing.
2. Your home library will send us your application.
3. You will receive an email from the Anschutz Security Badging Office with instructions on scheduling an appointment to receive your pass.
4. Come to the Anschutz Security Badging Office within 30 days to claim your pass! After 30 days, you will need to reapply—no exceptions!

The Anschutz Security Badging Office is located at:
13001 E 17th Pl, Building 500, Ste N1207, Aurora, CO 80045
Hours: Monday-Thursday, 8am-4pm; Friday 8am-12:30pm

Users are expected to use the facility according to the library's conduct policy (https://hslibrary.ucdenver.edu/policies/conduct).

ID badges should be worn visibly, as per university policy.

The CU Denver Lynx badge from CU Denver students/employees will not be accepted by Strauss Library after Dec 31, 2018 for staying past closing time. Starting Jan 1, 2019 CU Denver users must have and show the new After-Hours Pass to stay—if not, you will need to exit the facility at public closing time.

Please wait for a confirmation message from the badging office before you go there. Go to the Anschutz Security Badging Office within 30 DAYS to claim your pass or you will not be able to claim it.

Cost of this badge to you is $0.00 — courtesy of Strauss Library.

Always have your After-Hours Pass physically with you to show in order to stay in the library past public closing time. Sorry but no exceptions.
